

February 2012

**FINANCIAL YEAR END: GIVE THANKS** that we were able to balance the books for the year. Income exceeded expenditure by £1,292. A small margin but encouraging nevertheless, as we had extra running costs for the new library and study annex. Giving from the churches was up on last year. In addition a group of supporters have provided a large financial gift to clear the historical deficit in the College account. This enables us to enter a new phase of ministry without this ongoing burden. We are grateful to the Lord for His provision.
