

June 2011

GRADUATION SERVICE on 18th May saw a packed to overflowing Lisburn Baptist church celebrate the presentation of awards to 13 full-time and 31 part-time students. The achievement of 35 students, who had already received an undergraduate or postgraduate university award during the year, was also recognised.

The guest speaker, Jonathan Lamb of the Langham Partnership, addressed the graduating students with some key priorities for Christian service from 2 Corinthians 4:1-6.

Due to the large numbers, an overflow was set up in the church hall. Afterwards the majority of the 650 who attended, stayed for some refreshments. It was an inspiring night with one graduating part-time student contacting the College a few days later to enquire about further study.

Continue to pray for the full-time students seeking opportunities in Christian service. Six have already been placed and some are pursuing further studies. Pray that all who have graduated will be used by God, in whatever their context, for His glory.

Full-time College awards

University awards

PLEASE CONTINUE TO PRAY FOR THE 2011 INTAKE

We have offered nine places to date with further interviews in June. Keep praying for 16 new full-time students for September. Pray for 30 to replace our part-time graduates and a good intake for the postgraduate programme.
